

**Mark Chernoby**

***Chief Technical Compliance Officer***

Mark M. Chernoby is a member of the FCA Group Executive Council (GEC) in his role as Chief Technical Compliance Officer (since July 2016). Mr. Chernoby has also served as Chief Operating Officer Product Development, Head of Product Portfolio Management and Head of Quality. He was appointed to the GEC in September 2011.

Prior to his current role, Mr. Chernoby was Senior Vice President of Engineering, FCA US LLC (formerly Chrysler Group LLC), and Head of Vehicle Engineering, FCA US.

Since joining the Group in 1983 through the Chrysler Institute of Engineering (CIE) program, Mr. Chernoby has made use of his experience in focused component engineering, advanced vehicle programs and vehicle homologation for Chrysler, Jeep® and Dodge products.

In 2005, Mr. Chernoby was chair for the SAE Technical Standards Board, and in 2007, he served as a member of the Hydrogen Technology Advisory Committee reporting to the U.S. Secretary of Energy.

He holds a master's degree in business administration and a master's degree in mechanical engineering from the University of Michigan. His studies began with a bachelor's degree in mechanical engineering from Michigan State University.

Mr. Chernoby was born in Bay City, Michigan.
